### Careers and Opportunities

1. New York Job Opportunity

**Role:** Research Analyst

**Location:** New York, NY

**Contact:** Simon Mousdale; [simon@goldsmithandco.com](mailto:simon@goldsmithandco.com)

#### Company and Position Description

Goldsmith & Co. is a retained executive search firm focused on connecting leading firms in the global financial industry with the most talented executives and experienced investors. We are dedicated to providing the highest quality search services to our diversified asset management, hedge fund, private equity, and private foundation and endowment clientele. We have placed—and continue to place—some of the most prominent professionals in the asset management industry.

With this goal in mind, the core of our approach revolves around generating in-depth, comprehensive research in order to identify the best possible executives to drive those companies. We are currently seeking an intelligent, inquisitive and engaging individual to join our team and add to the energy and ambition that has generated strong results over the past seven years.

The Research Analyst role affords an opportunity to gain a deep experience in research, performing both long-term and short-term projects, in a highly trained research environment as well as an insight into the Executive Search process and the Asset Management world.

2. Funded and Free Summer in China

#### Free & Funded Summer in China with TEFL Certification:

Gotoco has now opened applications for its 2018 summer TEFL programmes

which take place in diverse locations across China. Teach Chinese students English and gain a TEFL certificate, while learning all about Chinese culture and exploring one of the most diverse countries in the world. Apply today and have an unforgettable summer!

### **Where?**

This year Gotoco is offering 500 places on summer teaching programmes across all over China. Join us to assist with teaching projects in one of our 'real China' programmes in a typical Chinese city (such as Beijing, Shanghai, Chongqing or elsewhere) to learn about what is really happening in this exciting country. At the end of the programme we offer a free one week holiday to Yangshuo - our base in the mountains to the east of Vietnam, which is Lonely Planet's top-rated destination in the whole country! (see photo below, or at this link [www.go-to.co](http://www.go-to.co))

### **When?**

Exact dates vary for each programme, we aim to be as flexible as possible to cater to the needs of our volunteers. We can offer various programme durations, anything from 2 weeks to 3 months. Start dates are flexible, but typically programmes begin at the end of June, mid-July or the beginning of August.

### **Cost?**

Taking part in this programme is completely **free of charge**, we also cover the costs of TEFL certification, Chinese lessons, trips, accommodation and meals, with **no additional fees!**

Just buy your flights and get a visa and come join us in China. We also are able to cover the flight costs of those that join us as campus reps.

### **Next steps?**

Check out our website - [www.go-to.co](http://www.go-to.co) - to find out more, or apply straight away at this link: [www.go-to.co/apply-now/](http://www.go-to.co/apply-now/)

### 3. Peter Kirk Travel Scholarships

**Would you like £2,000  
to spend on travel in Europe?**

### **PETER KIRK SCHOLARSHIP**

**8 awards of £2,000 for 2018**

**A chance to do an independent project on any aspect of modern European life which interests you, visiting at least one other country for six weeks to three months.**

You should be aged between 18 and 26. Academic qualifications are less important than enthusiasm and your ability to carry through a project on your own.

**CANDIDATES WILL BE CONSIDERED IN THREE GROUPS:**

- School Leavers and Gap year students
- Those on a degree course
- Postgraduate

**For an application form and further details visit our website at:**

**[www.kirkfund.org.uk](http://www.kirkfund.org.uk)**

**Applications should be submitted by e-mail to [mail@kirkfund.org.uk](mailto:mail@kirkfund.org.uk)**

**Closing date for receipt of applications:**

Noon 1<sup>st</sup> March 2018

## **Research Studies**

### **1. MAKE MONEY / DO STUDY**

Are spiders a problem for you? Interested in taking part in a research study?

We are looking for healthy volunteers aged 18-60 years and fluent in English to take part in a study investigating how a single dose of the medication hydrocortisone affects attention for spiders, using simple computer tasks. Hydrocortisone is a stress hormone also naturally occurring in the body. However, we think that it may also enhance the effectiveness of psychological therapies such as Cognitive-Behaviour Therapy.

The study involves four appointments of about 5 hours in total.

If you are interested in participating, and for more information, please contact [emily.fay@gtc.ox.ac.uk](mailto:emily.fay@gtc.ox.ac.uk) / 07954 051 052 / pm me.

**YOU WILL BE PAYED £30 AND (HOPEFULLY) NO LONGER SCARED OF**

SPIDERS!!

P.s. there are NO REAL SPIDERS INVOLVED.

2. Want to earn up to £15 pounds? We are currently recruiting for a reward and cognition study, involving a session of approximately 1h at 13 Longwall Street. If you're keen to take part or for more information, please contact [sam.hall-mcmaster@psy.ox.ac.uk](mailto:sam.hall-mcmaster@psy.ox.ac.uk)
