FOR MY CV

Look at all this money! This could be you!!!

I am:

- A third-year mathematician and the current treasurer for the Corpus Ball
- Knowledgeable about the sorts of careers events that occur in Oxford and when they occur
- Experienced at working with college authorities and have organized multiple events including the Summer Eights celebrations for the boat club last Trinity
- Regularly communicating with Corpus alumni
- Currently seeking an Internship for the Summer of 2019!

I will:

- Send out email summaries of key careers events / important information throughout the year
- Coordinate with the development office to try and increase alumni-student interaction
- Try to organize a full Corpus networking session in college for current students and alumni
- Do my JCR teas and attend meetings
