

LIL FOR WELFARE

#LILFARE

HI!

I'm Lil. I'm a second-year biochemist and I would love to be your female welfare officer!

I'm super keen to foster unity within our JCR community and promote welfare for everyone!

EXPERIENCE

• ORGANISED INTERNATIONAL WOMEN'S DAY & UNITY WEEK EVENTS

For my role as women's rep, I organised a full day of events for int. women's day- including cut n stick, discussions on gender roles and a welfare-focused film night. During unity week, I planned and hosted a feminist pub quiz, with our current female welfare officer, Abi, and ran a welfare pamper eve.

• WROTE FUNKY FRESH FEMINIST EMAILS

Don't deny it. You love to see it. They are fresh and funky af.

• SET UP CORPUS YOGA SOCIETY

Oxford can be really stressful so I set up Corpus Yoga Society for a space to relax and reflect every week. To do this, I liaised with both the JCR and a private yoga teacher as well as being responsible for creating and maintaining a budget.

• TRAINED AS A CONSENT AND LBGTQ+ FACILLATATOR

BIG PLANS

• SEPARATE THE DEAN OF WELFARE FROM THE CHAPLAINCY

Like many things in Oxford, this is an antiquated tradition that should be changed. It is important that the dean of welfare is secular, encouraging all members of the JCR to feel comfortable seeking welfare advice.

• CONTINUE TO BREAK DOWN GENDER BINARIES IN WELFARE

Joint welfare tea is a fab step towards breaking down gender binaries that exist in our welfare system. I would love to build on this and highlight that, just because the position is welfare (female), doesn't mean I can only represent women*.

• WORK WITH EQUAL OPPS COMMITTEE

Especially now we don't have women's welfare t, I would work with the women's' rep/ equal opps prez to create a new women's' space, hopefully twice a term. I'm also keen to set up more welfare events with other equal opps reps and the arts officer, like, art n crafts & cupcake decorating.

SMOL IDEAS

• STI CHECKS IN FRESHERS

Stay safe, my sweets xo

• PROMOTE THE WELFARE ROOM

Change lock to u-key, calming activities, chill out space.

• WELFARE VAC EMAILS

We are only here half the year, but you are ALWAYS entitled to welfare.
