

Will 4 Welfare

Hi! I'm Will, a first-year Physics student!

Why me?

- I basically do nothing next term so I have lots of time for the job
- As a fresher I can reach out better to other freshers
- International and studies science, both underrepresented in welfare; LGBTQ+
- Peer Support trained
- Loves tea

What will I do?

- Will encourage more involvement from freshers for a more unified JCR
- Will continue to break down gender binaries and barriers in welfare;
- Will reach out to those who aren't as involved with the college, and make sure they are supported
- Has experience dealing with gender dysphoria and gender-related issues
