

Tyron FOR Vice- President

- Am an upstanding member of the college community
- I love the JCR so much, I've run for elections (a record?) **4** times and have never missed a JCR meeting
- Am college married to the current President, pre-existing foundation for a fruitful working relationship
- Of all the roles I've run for, am probably best qualified for this one tbh
- Have a lot of experience in the working of committees
- Lead a 13 strong committee for the Oxford Socialist Discussion Group, am vice-president of the Young British Esperantists, a committee member of the World Esperanto Youth + Union Library Committee, am a student rep of HP committee
- Would be quite tragic if I lost a 4th JCR election in a row
