Hi I'm Dr ven pilson and this is my manifesto, i will always take good notes at jcr meetings, I will always aid and assist the jcr president in matters of the jcr. I have large amounts of free time so will deputise the jcr president when otherwise engaged. My reading speed is now only 20% lower than the national average and I will always wear my special reading glasses to jcr meetings, all in all I will be an excellent vice president thanks.
