

Emily for VP

Hi, I'm Emily your current Oxford SU Officer and I'd like to be your next VP. I'm a current 3rd year studying chemistry.

Why am I qualified?

- I have two years experience holding a position in the JCR. (More than everyone else.)
- I have organised stash for the JCR so I'll be ready to sort all those matriculation orders.
- I've been to a lot of JCR meeting so I know how they work and how to write a motion.
- In my role as Oxford SU I have experience acting as a representative of the JCR.
- Also in my role I circulate agendas, a key part of the VP's role.
- I've already helped during freshers week as I was an angel in my second and third year.
- I have also worked with a number of college staff during my time on the JCR and ball committee.
- I typed this myself.

What I want to achieve:

- The continued smooth running of the JCR as done by my predecessors.
- Increased engagement of JCR body by being always available to answer any questions about the JCR.
- Publish all meetings in a timely fashion and help any members of the JCR to write a motion.
- To help in the running of Freshers week.
