3. Reading from the Poet Laureate

Welcome to 2wrap's
Two wrap shack!
The one-stop shop
With all the top nosh
One can squash in.
We cop some flack
For only making one snack
That a lot of people can't hack.
If you don't think you'll crack,
Then don't hold back:
Order yourself the 2wrap's
Two wrap shack
Two wrap stack attack,
The snack to keep The hunger back,
Or your money back.
You see, we don't slack.
This wrap is no trap;
It's a stack of two wraps,
Made by 2wrap,
And we call it attack
Because there's a knack
To packing all that
Snack into two
Jam-packed wraps.
Now, you don't need

To be a wisecrack
To think cardiac
When we rack
Up so many calories
In one whack.
You'd be a maniac
To not track
The nutritional drawback,
The proverbial smack
In the face
Might suggest we
Lack the tack
To not have setbacks.
What kind of quack
Doesn't though?
We suggest you
Cutback during the week
Then let us hijack
Your snack regime
For the afternoon.

Flashback to
The mention of flack,
Not everyone can
Handle this snack.
We wracked our brains,
Had a little stay
In a mental bivouac.
We've devised
The 2wrap's Two wrap shack
Two wrap stack attack
Plaque
To be given to
Those who ransack
And aren't setback
Or sidetracked
By a couple large wraps.
We reward those
Not taken aback,
That present
A counterattack
To the initial
Snack attack
And thwack away
Any semblance
Of lack of ability
To finish their meal.

There are factors
Beyond that though;
Food waste

Is a fact we face.
That's why we've
Replaced our old
Policy of packing
All left-over wraps
Not consumed
Whilst snacking
And sending them
On horseback
To the back of beyond
To rot and
Not be eaten.
We saw the drawbacks
And now have a more laid-back
Approach in the shack.
You can't hack
The stack?
Here's a knapsack
To pack
What's left of the wrap
So you can get back
To the track of your day
And snack as you go on your way.
Here at 2wrap's
Two wrap shack,
We pride ourselves
On giving back.
That's why
You don't have to
Wait til you crack,
Just let us know
As soon you need
That knapsack to go.
If you brought
Your own backpack,
We'll even give you
A few pence back.

So, come on down
To 2wrap's
Two wrap shack.
Try the 2wrap's
Two wrap shack
Two wrap stack attack,
The snack to keep
The hunger back.
Try for the plaque,
If you can't,
Take it packed.
And don't forget
On your way out,

We appreciate Your feedback.

Flo: most except new scientist, telegraph. Grassam wrote a paragraph about why he hates it, Ryan M asked for playboy

Flo: the people who put no to reading the news papers only wanted to spend £100... so I struck a middle ground.

No debate

In favour: overwhelming majority, 1 abstention

Rhi-mburse the ex-president

This JCR notes:

1. The last JCR President bought Rachel Clifford a present for 25 years at corpus and as a thank you for all her help
2. She also bought the porters and Andy something for everything they'd helped with in the past year
3. This happened after the final meeting of term

This JCR believes:

1. Buying presents is a nice thing to do

2. The former Treasurer has already reimbursed the former President and shouldn't be charged with embezzlement at his audit
3. The former President shouldn't be out of pocket

This JCR resolves:

1. To "reimburse" the former JCR President to the sum of £41.11

Motion about flying the EU flag on the 31st of January

This JCR notes that:

- The UK is leaving the EU on the 31st of January
 - This will mark the end of 40+ years of the UK's participation in the European project and is therefore a significant occasion, regardless of political alignment
- The JCR is home to a significant number of EU citizens

This JCR believes that:

- It is therefore appropriate to commemorate this day and recognise the end of an era

This JCR resolves to:

- Mandate the JCR President to demand that college fly the EU flag at half mast on the 31st of January

- If college is reluctant fly the flag at half mast, suggest that the EU flag be flown at full mast

Proposed: Arthur Morris

Seconded: Jennifer Donnellan

SFQ:

Ben: is it the same flag that rhi bought?

Jen: I don't know its more the concept of flying the flag

Debate:

Tyron: I propose an amendment – under jcr resolve: *to fly on the 1st February 2020 the union jack full mast*

Millie: seconded

Jen not taken as friendly.

Hannah: Debate the amendment –

Tyron: I'm just quite sad that it wasn't taken as friendly as it said regardless of political alignment.

Millie: I agree because its either taking the piss or it should be fine to fly the union jack after

Matt: union jack or St George's?

Matthew: I think it's to commemorate the end of an era not start of a new era, we are still British, so don't need to fly the British flag.

Millie: it is a change because we have developed a new independence from the EU.

Ben: I think a college with EU members can't come across as nationalist.

Sampada: if it is happening on two different days why can't we just do both.

Jen: because it's a political statement I disagree with.

Sam: Tyron is a former member of UKIP, so I can't see how flying the union flag is not a political statement.

Millie: from a logical point of view by flying both flags it balances them out so this would be the best solution to be apolitical. So if we are worried about each being a political statement why don't we fly both or none.

Vote on admenment: 2 for, 23 against, 3 abstentions

Flo: I think with what Millie said we could just do nothing if that doesn't offend anyone.

Arthur: if we were to do nothing I wouldn't have proposed the motion.

Sam: I think we should have an amendment: *to fly it just at full mast*.

Jen: okay taking as friendly.

Millie: that is a very strong political statement and that is speaking for the whole college. It will be interpreted as that.

Ben: the point of the motion is to work out what the opinion of the college is.

James: at the end of the day brexiteers won so why should they care or be offended.

George: we are just showing solidarity for a trade partner

Millie: I didn't mention it would offend people. I just think we are representing a college with lots of different opinions and I think it's a bit of a joke.

Matthew: I don't think it's a joke I think we should vote on it like the Brexit vote and see how the jcr feel and then represent the outcome.

Arthur: move to vote

Jen seconded

Ed: Anyone debate this proposal - no

26 for, 2 against, 4 abstentions - motion passes
